

# Coleman Car (12 volt) 1,000-Lumen LED Spotlight

**Brand:** Coleman  
**Product Code:** 2000013871

**Price: \$64.99**

## Description

Whether you're on the job or out playing on the weekend, power your Coleman® 12V LED Spotlight from the outlet on your truck, boat or ATV. The spotlight's beam shines 555 ultra-bright lumens over more than 1,000 ft. (305 m) of darkness. The protected case is water resistant and the polycarbonate lens is shatter-resistant. Inside, the three Cree® high-power LEDs lasts a lifetime, so they never need replacing.
